

Sinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary days before the election clearly violates the equal time broadcast rule. The FCC must either: 1. Immediately order Sinclair to cancel this documentary which assassinates the character of John Kerry, a proven war hero, or 2. Require Sinclair to air an equal time pro-John Kerry broadcast, such as "Going Upriver".

Sinclair uses the public airwaves free of charge, and is obligated by law to serve the public interest. It is the FCC's responsibility to insure that Sinclair and other broadcasters do not abuse that public trust.  
Thank you.
